limited liability company such as a (Ltd.) in the United Kingdom (UK), as a LLC company in Delaware, United States (US) or as a BV in the Netherlands (NLD). This is a tax driven requirement. Furthermore, SBC wants to limit its liability and make sure that the intellectual property related to your business project is owned by one legal entity, being the Company (for an explanation of the term 'intellectual property' please see the clause 7 below). If your Company has not already been incorporated and you have any questions related thereto, please feel free to contact SBC's lawyer with the law firm Certa Legal Advocaten B.V. Certa Legal Advocaten B.V. accepts no liability for any advice provided for free. If you need more detailed advice Dave would be happy to provide you with an estimate for such work.

1. PARTICIPATION IN THE PROGRAM AND ISSUANCE OF THE SHARES

1.1. On [DATE] the Founders and the Company signed a MOU in which SBC, the Founders and the Company confirmed their mutual understanding on the possible participation by the Company in the Program. On [DATE] SBC granted the Company the right to participate in the Program.

1.2. The Company hereby agrees to issue as many shares to SBC, in order for SBC to own 8% of the fully diluted share capital of the Company at the execution of this Agreement (the "**Shares**"). SBC hereby agrees to accept these Shares. The Shares shall enjoy the same rights as any and all shares directly or indirectly owned by the Founders in the share capital of the Company.

Pursuant to article 1.2 SBC and SBC Global will hold 8% of the shares in your Company in exchange for you and your Company to participate in the Program. We 'accelerate' your business by providing intensive mentoring, office space, international PR, legal and tax advice, sponsor deals and a capital injection of EUR 15,000. Therefore, by teaming up with SBC the value of your Company will increase significantly. It is of course possible you would get there on your own, but not with the speed and accuracy that SBC can provide. Getting into the Program of SBC means you matter. Investors, the media, and even potential clients will pay more attention to you because of the SBC's vote of confidence

1.3. The Founders shall procure that the Company shall undertake all actions - at its own costs - required to effect the issuance of the Shares to SBC, immediately upon the execution of this Agreement, including but not limited to the execution of the deed of issuance of shares before a civil law notary employed with the firm Schut van de Ven Notariskantoor B.V. in case the Company is a Dutch B.V. (the "**Deed of Issuance**") and the execution by the other Shareholders of a shareholders resolution in which they waive their pre-emption rights with respect to the Shares to be issued to SBC.

If your Company is not a Dutch BV, SBC will need to be presented with sufficient proof evidencing the actual issuance of the shares to SBC. Such evidence consists of at least i) a share certificate, ii) a legal opinion of your local attorney and iii) a copy of the updated shareholders register. In exchange for participating in the Program, you will need to issue as many shares in your Company to SBC and SBC Global in order for SBC and SBC Global to hold 8% of the shares. These shares will be paid up by SBC who will pay EUR 15,000 into the Company's bank account, resulting in a cash injection for the benefit of the activities of your company. □ Issuance of shares in a Dutch BV requires a notarial deed, which will need to be executed by a civil law notary employed with Schut van de Ven Notariskantoor B.V. Please contact SBC's In exchange for participating in the Program, you will need to issue as many shares in your Company to SBC and SBC Global in order for SBC and SBC Global to hold 8% of the shares. These shares will be paid up by SBC who will pay EUR 15,000 into the Company's bank account, resulting in a cash injection for the benefit of the activities of your company. □ Issuance of shares in a Dutch BV requires a notarial deed, which will need to be executed by a civil law notary employed with Schut van de Ven Notariskantoor B.V. Please contact SBC's □ lawyer if you have any further questions concerning the issuance of shares. The notarial costs related to a deed of issuance of shares in a Dutch limited liability company is EUR 750,- (ex VAT and registration costs of the local chamber of commerce). For the avoidance of doubt we note that these costs are for the account of the Founders. Should the Company be incorporated under the laws of England or the USA, the Founders can coordinate the issuance of the shares to SBC themselves. From this respect Certa Legal Advocaten B.V. can assist you with any queries you may have.

1.4. At its sole discretion, SBC shall have the right, to require the Founders and the Company to leave the Program at any time. The Company shall be present on the Program's Demo Day

("Demo Day") but at its sole discretion, SBC has a right to deny the Company to be present if SBC is of the opinion that Company does not meet the quality level and standard required for a company in its program to be present at Demo Day. In such case SBC will transfer back the shares in the capital of the Company for nil consideration.

2. PRICE

The price of the Shares to be paid by SBC will be a total of EUR 15,000 in cash (the "Price"). The Price will be paid by SBC into the bank account designated by the Company in two equal tranches. The first tranche of EUR 7,500 will be paid at the date of execution of the Deed of Issuance. The second tranche of EUR 7,500 will be paid upon completion by the Company of the first six weeks of the Program.

3. THE ANTI-DILUTION CLAUSE

- 3.1. The Shareholders of the Company may admit additional investors ("**Additional Investors**"), making investments in cash in exchange for shares in the capital of the Company ("**Investments**"). As and from the applicable date of admission, any such Additional Investor shall be deemed to be party to this Agreement, subject to such Additional Investor executing a deed of adherence to this Agreement in such form agreed to as Schedule 2 ("**Deed of Adherence**"). The Founders and the Company shall procure that such Additional Investor shall execute the Deed of Adherence. The Company and/or the Founders are entitled to agree with the Additional Investor to an amended form of the Deed of Adherence, if it is in the best interest of the Company and the amendments do not harm the position of SBC.
- 3.2. In case of any equity investments in cash, either directly or as conversion of a convertible loan, made by Additional Investors at a pre-money valuation for 100% of the Company's share capital of at least EUR 2,000,000, SBC's interest in the Company shall be diluted in the same proportion as the shares owned in the share capital of the Company by the other Shareholders. In the event of any such investments, or of a non-cash investment, at a pre-money valuation for 100% of the Company's share capital less than EUR 2,000,000, only the Shareholders other than SBC will dilute. SBC shall not dilute in the event the Company will issue any shares, certificates of shares, warrants, options or other share appreciation rights, to employees, advisors, consultant, advisory board members or any other parties, as these anti-dilution rights are considered to be and accepted by the Company and the Shareholders at a fully diluted basis ("**SBC Anti-Dilution Right**"). For the purpose of the SBC Anti-Dilution Right the definition of Additional Investors shall also include any Founder and any Shareholder who, in any subsequent round, (re)invests any equity investments in cash, either directly or as conversion of a convertible loan in the Company. For the purpose of this clause, dilution means "dilution in voting rights and/or entitlements to profit".

SBC's and SBC Global's 8% interest in the Company shall not dilute in case a third party is willing to make an investment in the Company based upon a pre-money valuation of the Company of less than EUR 2,000,000 for 100% of the shares in the Company. We 'accelerate' your business by providing intensive mentoring, office space, international PR, legal and tax advice, sponsor deals and a capital injection of EUR 15,000. Moreover, SBC could bring other investors into contact with the Company to discuss possible other cash injections for the benefit of further development of the activities of the Company. These efforts made by SBC may reasonably not result in a dilution of SBC's shareholding in the Company, in case an investor is not willing to pay at least EUR 40,000 for 1% in the shares of the Company. Should the Founders agree to such investment, they shall transfer as many of their shares in the Company for no consideration to SBC and SBC Global, in order for SBC and SBC Global to maintain its 8% shareholding. In case a new investor invests EUR 40,000 or more for 1% of the shares, SBC's and SBC Global's interest in the Company will dilute. For the avoidance of doubt a 'pre-money valuation' is a term widely used in private equity or venture capital industries, referring to the valuation of a company or asset prior to an investment or financing. If an investment adds cash to a company, the company will have different valuations before and after the investment. The pre-money

valuation refers to the company's valuation before the investment.

- 3.3. To execute the SBC Anti-Dilution Right, at the issuance of Shares in the share capital to the Additional Investors, the Company shall issue as many shares in its share capital, at no consideration to SBC, in order for SBC to maintain the respective shareholdings they each have in the share capital of the Company immediately prior to the investment by the Additional Investors. Alternatively, at the sole discretion of SBC, each of the other Shareholders, shall transfer as many of the shares they own in the share capital of the Company to SBC to that effect.
- 3.4. Under no circumstances shall SBC have an obligation to make any additional investments by (including but not limited to) injecting cash into the Company.
- 3.5. In case an Additional Investor has shown interest to invest in the Company, the board of directors of the Company (the "**Board**") will immediately notify each of the Shareholders by e-mail thereof. In such case SBC shall have the right, but not the obligation, to enter into negotiations in order to make the Additional Investor an offer to sell to this Additional Investor part or all of SBC's Shares. For any remaining Shares that SBC will hold after they transferred part of their Shares to the Additional Investor, the SBC Anti-Dilution Right will remain in place.

SBC wishes to be fully aware of all discussions and negotiations concerning investments in the Company prior to the deal actually taking effect. With this article SBC makes you aware of the fact that, for the avoidance of doubt, it may also wish to offer part or all of its own Shares to such investor. This does not mean that SBC has the intention to immediately dispose of its Shares in case an investor is willing to purchase shares in the Company. However, logically SBC wants to retain its right to do so. Furthermore, should the investor not be interested to purchase shares directly from SBC, but wishes to invest in the Company in any other way, SBC will of course respect this.

4. TRANSFER OF SHARES TO THIRD PARTIES

Tag along

- 4.1. In case of any sale of shares in the share capital of the Company by the Shareholders to third parties, the selling Parties are obliged to demand of the acquiring third parties that the other Shareholders have a right (but not an obligation) to sell their respective shares to these third parties on the same proportional conditions as the selling Parties.

Tag along right: this is a right for a minority shareholder, in this case SBC and SBC Global, to have its shares sold and transferred on the same proportional conditions as the majority shareholder when the latter is selling and transferring its shares.

Drag along

- 4.2. In the case of a collective exit to an independent third party (meaning a sale of 100% of the shares in the Company) ("**Exit**"), a majority of the shareholders holding a minimum of 51% of the shares in the Company may require all Shareholders to sell, and these Shareholders shall be obliged to sell, their shares to said independent third party. The sale of shares shall be on the same proportional conditions for each Shareholder as all other Shareholders. This drag along obligation only applies in case of a sale at a minimum price in accordance with fair market value, which price is to be determined by an independent third party appointed with the consent of all the Shareholders ("**Minimum Exit Value**") in case of a sale of the shares, and at a price higher than the aggregate amount of the Minimum Exit Value and the debt in the Company in the case of a sale of the assets of the Company.

Drag along obligation: a drag along obligation is the obligation for all the shareholders and enables a single shareholder (or group of shareholders) who has (have) found a purchaser - interested in 100% of the shares - to drag along the other shareholders to also sell their shares, resulting in a sale of 100% of the shares in the Company to the purchaser.

- 5.1.9 There are no holders of depository receipts that have been, or will be, issued. The Founders have not, and shall not, pledge or render a right of usufruct with regard to,

any of the shares in the share capital of the Company.

5.1.10 The shares issued to the Shareholders rank equally in all respects holding the same rights as the existing shares.

SBC requires you to represent and warrant that certain assumptions (for instance that the shares are not pledged to a bank, that no legal proceedings are pending with third parties or that the tax returns have been filed) are correct. Please note that should the representations and warranties above turn out to be incorrect, SBC can hold the Founder and the Company liable for any suffered damages.

6. INFORMATION RIGHTS AND D&O INSURANCE

- 6.1. The Company shall no later than the 10th business day of each month send to the Shareholders a short general update about the business and financial affairs of the Company and other information that SBC may from time to time reasonably require per e-mail. The monthly report shall be entered in a platform provided by SBC (<http://incmind.com/>) in the format attached hereto as Schedule 3.
- 6.2. The first time the Company does not comply with its obligation under Clause 6.1, SBC will remind the Company of its obligation. If the Company at any time does not comply with its obligation under Clause 6.1 for a second time during the same year, SBC will give the Company a warning. If after this warning the Company at any time does not comply with its obligation under Clause 6.1, this will result in a fine of EUR 1,500.- per instance, immediately due and payable to SBC.
- 6.3. SBC shall be entitled to a non-executive advisory board position, consisting of one member, whose role it is solely to advise the Company. The Company shall organize and prepare the advisory board meeting(s) and shall send to SBC and the advisory board member reasonable advance notice of each meeting of the advisory board, such notice shall be accompanied by a written agenda specifying the business to be discussed at the meeting along with all relevant papers.
- 6.4. SBC shall be entitled to annually audit the Company at the cost of SBC. In such case, the Company will send to SBC any information deemed necessary by SBC for the audit upon first written request, with a 10 day notice.
- 6.5. The Founders are obliged to inform the Shareholders of any events or risks that can have a material impact on the Company or the Founder's ability to develop the Company and its business.
- 6.6. Upon request of SBC the Founders and the Company shall take such actions as necessary in order for the statutory directors of the Company to take out directors' and officers' liability insurance. It is emphasized that SBC is a Shareholder and not a (de facto) director and/or officer of the Company.
- 6.7. The Company and the Founders are obliged to inform the Shareholders, as a shareholder of the Company, of any future investment or loan agreements. Moreover, any documents reflecting any investment or loan agreement (for instance a convertible loan agreement or participation agreement) will need to be signed for acknowledgement by SBC.

7. INTELLECTUAL PROPERTY RIGHTS AND WORKS

Assignment/transfer of Intellectual Property Rights and Works

- 7.3. The Parties agree that any and all Intellectual Property Rights in and to the current and future description of activities of the Company shall at all times vest in the Company.
- 7.4. The Founders hereby unconditionally and irrevocably assign all Intellectual Property Rights and Works, including but not limited to the Intellectual Property Rights and Works described in Schedule 1, to the Company and the Company hereby confirms to accept such Intellectual Property Rights and the Works. This assignment includes any and all current and future forms of exploitation of the Intellectual Property Rights and the Works.
- 7.5. After the Founders have transferred the Intellectual Property Rights and Works to the Company those Parties unconditionally and irrevocably waives all rights which they may have in connection with the Intellectual Property and the Works.

The Founders agree that they eventually may make, discover or create Intellectual Property Rights in the course of or in connection with the Company and agree that in this respect those Parties have an obligation to immediately transfer these Intellectual Property Rights to the Company, on their own initiative and/or on request of any Shareholder.

Transfer restrictions

The Company undertakes that, other than in the ordinary course of its business, it will not assign, transfer, sell, (sub)license or otherwise dispose of or encumber any of the Intellectual Property Rights or Works of the Company unless it is at market value and the price is higher than the Minimum Exit Value.
- 7.8. The above Clause 7.7 shall not apply in the event an investment by an Additional Investor has been made and as a result of the negotiations the Company is transferring or injecting the Intellectual Property Rights or Works into a subsidiary, directed and controlled by the Company. In that case Company undertakes that, other than in the ordinary course of its business, this subsidiary will not assign, transfer, sell, (sub)license or otherwise dispose of or encumber any of the Intellectual Property Rights or Works at a price below the Minimum Exit Value. Such a transfer of the Intellectual Property Rights or Works can only be to

independent third parties and at fair market conditions. In this case the Founders are not entitled to own shares directly in the subsidiary Company but only via its ownership in the Company.

8. DUTCH TAX LEGISLATION

- 8.1. The Dutch Tax Authorities are of the opinion that SBC supplies a VAT taxable service to startups that participate in the program. The issue of shares in the share capital of the Company to SBC is considered as a remuneration and payment for the provided services by SBC.
- 8.2. In accordance with Dutch Tax legislation SBC has to issue an "invoice" to startups that participated in the program. This "invoice" does **not** have to be paid by the Company and is solely a matter for Dutch VAT purposes. This Tax regulation has **no** financial impact for the Company.

9. WAIVER

- 9.1. The Founders and the Company will from time to time receive advice, business coaching and similar services from SBC and the mentors, consultants and advisors participating in the Program. The Shareholders agree that these services are advisory in nature and, as such, the final decision as to whether to follow such advice rests with the Company and/or the Shareholders.
